Welcome to the Creative Change Coalition Gathering

We are so happy you are here!

The Creative Change Coalition is a national coalition of place-based organizations that center people, creativity, and equity working together to create a stronger ecosystem for communities and artists. The Coalition supports local organizations by providing peer engagement opportunities, technical assistance and practical resources. Together we make this field more visible, drive resources to local organizations, and discover shared research, advocacy and policy change opportunities. Springboard for the Arts has stewarded the Creative Change Coalition since its launch in the fall of 2023.

About Springboard for the Arts

Springboard for the Arts is a national artist-centered community and economic development organization. Our mission is to support artists with the tools to make a living and a life, and to build just and equitable communities full of meaning, joy, and connection. From our offices in Saint Paul and Fergus Falls, Minnesota, we deliver resources locally and nationally tailored to creative workers and pilot bold ideas rooted in local needs.

Whether becoming a base for mutual aid organizing, distributing information and supplies, building social connection, or advocating for resources, these hubs and homes of local creative people power are essential to the health of their places. We can't do it alone. In order for our communities to thrive, we all need to play a part in tending to our local ecosystems and working in solidarity with other groups advocating for change. How do you find the right places to partner to create a stronger ecosystem? What do you do if your ecosystem has some missing pieces? This panel will explore:

- ideas to help you think about the assets and needs of your own communities, including advocacy, policy, space and physical resources;
- support for individual artists and culture bearers;
- real world examples of how to build more durable local infrastructure.

11:30am: Lunch & live music from Kip Jones

All day Friday in the Break Area on the Main Floor:

Stop by and visit with **Seth Beattie** and **Dominique Miller** of **Spire and Base** to explore the cultural lineages that inform our work. Together, we'll lift up the histories that we're building from across the Creative Change Coalition — the people who inspire our work, the events that have shaped our communities, and the cultural practices that are helping us build toward a better future.

12:45pm: U-Pick Block One

MAKE IT ALIGNED: COMMUNITY-CENTRIC FUNDRAISING

MAKE IT YOURS: PROGRAM MODELS FOR WORKING WITH ARTISTS

Community Hall, Main Floor

While every community collaboration is unique, you don't have to start from scratch when designing a creative initiative. Join Springboard's Community Development Director **Ricardo Beaird** and Rural Director **Michele Anderson** for an exploration of the impacts of working with local artists and models for working with artists that are adaptable, scalable, community-centered, and responsive to local needs and opportunities. Leave with practical tools and processes for hiring and working with artists, building cross-sector collaborations, and more.

MAKE DECISIONS: TOOLS FOR DEFINING ROLES AND RESPONSIBILITIES

Resource Lab, 2nd Floor

As your organization changes and grows, how do you adapt your internal leadership and processes to be transparent, empower staff, and implement programs effectively? This session explores tools and frameworks to clarify who makes decisions and who executes the work, helping you and your staff reduce internal confusion, increase accountability, and strengthen collaboration — all to better meet your mission. **Jack Forinash** (Blue Sky Center), **William Pierce** (Springboard for the Arts), and **Julia Taylor Paryas** (Ana & Adeline Foundation) will begin the session with practical examples of values-aligned tools and processes and then we will move into small groups for participants to continue discussion based on their own context. Session facilitator: **Jun-Li Wang** (Springboard for the Arts).

CIRCLE UP: COMMUNITY-ROOTED SPACES

Blue Room, Main Floor

Share celebrations and challenges of stewarding a community building or site with others who are doing the same. Hosted by **Kara Maloney** (Lanesboro Arts).
